The full Microsoft Excel Spreadsheet used at the tournament with all of the scores is available at
http://www.boardsailor.com/first/LosAltosFLL2002ScoreSheetCompetition_12_14_02.xls.
There is a lot of information to the right of the scores on the "Competition Scoring" worksheet. The spreadsheet works fine if you open it with macros disabled. Feel free to distribute the spreadsheet, to modify it, and use it for future events. Thanks to Dan Fairfax for creating it.
